

Why work for HYPNOTIC salon spa

Hypnotic salon spa offers stylists and technicians the same relaxed but highly professional environment that our clients enjoy. We provide personalized client care in a team based working environment. Specializing in hair care for women and men, we provide a full menu of hair services, manicure/pedicure/facials/waxing, makeup applications, massage, while using Aveda (the art and science of pure flower and plant essences) products. Our objective is to provide a uniquely intimate and comfortable atmosphere for both stylists and clients. By employing experienced, professional staff, we maintain our standard of quality client care. We encourage ongoing professional growth and continuing education to maintain expert professional standards.
